

MERGER ANNOUNCEMENT M/24/071 – BORD GAIS ENERGY / SWYFT ENERGY

Section 21 of the Competition Act 2002

Competition and Consumer Protection Commission clears the proposed acquisition by Bord Gáis Energy Limited of sole control of Ardrar Holdings Limited

24 December 2024

The Competition and Consumer Protection Commission has today cleared the proposed transaction whereby Bord Gáis Energy Limited would acquire sole control of Ardrar Holdings Limited. The proposed transaction was notified under the Competition Act 2002, as amended, on 18 November 2024.

The Commission has formed the view that the proposed transaction will not substantially lessen competition in any market for goods or services in the State. The Commission will publish the reasons for its determination on its website no later than 60 working days after the date of the determination and after allowing the parties the opportunity to request that confidential information be removed from the published version.

Additional Information

Bord Gáis Energy Limited generates, sells and trades energy for use in the State. BGE's other service offerings are the sale and installation of boilers, servicing and repair of boilers, and the installation of solar photovoltaic (solar PV) systems. The company also provides services relating to heat pumps, smart heating and electric vehicle charging.

Ardrar Holdings Limited is a holding company with sole control of two companies: Ardrar Limited (trading as Swyft Energy) and Ardrar Technology Limited (trading as Pipelyne). Swyft Energy provides home heating services such as the installation of solar photovoltaic (Solar PV) systems, gas boilers, smart heating controls, EV chargers and other ancillary products.
